VOTE OF APPRECIATION

I, Prof. T. Mangaleswaran, Vice Chancellor, University of Vavuniya, Sri Lanka was invited as Guest of Honour and keynote speaker at the three-day International Conference on the theme, “Future Global Business and Technology (Challenges Ahead)” organized by Chhatrapati Shahu Institute of Business Education and Research (CSIBER), Kolhapur. The conference was held from 8th to 10th December 2022.

I was at CSIBER on all three days of the conference. Eminent academicians, researchers and professionals from different countries contributed as Keynote speakers over the three-day event. The keynote speakers shared their insights on the conference theme drawing them their research and professional experience.

Delegates from various colleges and institutions, both national and international presented their research findings and ideas in this conference. The conference also provided an excellent platform to the delegates to interact with persons from their fields. This sharing of knowledge will surely accelerate research on different relevant topics and serve as a catalyst in building future collaborations in industry and academia.

I believe the conference was extremely successful in achieving its overriding objective of igniting the minds of participants on different topics in the domain of management, technology, environmental sustainability and social entrepreneurship.

Let me congratulate the entire team of CSIBER lead by their dynamic director, Prof. Dr. S. P. Rath for displaying highest level of teamwork and integrity. I was impressed to see that the table program for each day was followed to the minutest detail by the organizers. The synergetic efforts put in by the entire team were indeed commendable.

I wish to thank CSIBER for the generous hospitality extended to me for the last couple of days.

I believe that this is just the beginning of a lifelong friendship and mutually beneficial collaborations in future.

My best wishes to CSIBER in all its endeavors!
