- To promote confidence and motivate faculty and staff to efficiently address the expectations of the student community and society at large.

- To equip the student community, through academic autonomy to face future challenges.

- To inculcate the spirit of dignity of the individual, excellence and service.

Director's Report

Dear Friends,

I take pleasure in presenting this Annual Report 2018 -19. We at CSIBER strive to be benevolent in all the academic pursuits carried out on the Institute's campus. This annual report is the reflection of our CSIBER family members who work with all the dedications and religiousness. The corporate values taught in the class is being exhibited in this annual report in the form of achievements of the faculty and the students. Our teaching faculty inspire the students to get involved in the learning process as well excel themselves in the co curricular and extracurricular activities. Hosting of cultural events is a regular feature of CSIBER. Being Autonomous has helped us a lot to introduce new subjects at various courses, improve upon teaching pedagogy and experiment with new ideas to make the teaching learning process more effective. The research work carried out by our faculty is commendable. The present annual report highlighting all our activities and achievements shall remain as a benchmark for future.

1.0 Institute Introduction:

The gap of trained and skilled personnel was anticipated and understood by Late Prof. Dr. A. D Shinde (Founder Director)a renowned Chartered Accountant, Tax Consultant and then the Dean of Commerce faculty of the Shivaji University, further in the capacity of acting Vice Chancellor of Shivaji University, bearing wide and varied teaching experience at undergraduate and postgraduate level. His dream of training youth to face the ever-changing requirements of industry came into existence when he registered charitable trust, "**Chhatrapati Shahu Institute of Business Education and Research Trust**" in 1976. Subsequently, in June 1976, establishing an independent Institute for Management Education by name "**Chhatrapati Shahu Institute of Business Education and Research**", Kolhapur popularly known as **CSIBER** to cater the needs of professional education in Kolhapur, Satara, Sangli, Solapur Districts of Maharashtra and the border areas of neighboring states.

The Institute is fully devoted to the cause of education in management, computer technology, social work, environment and allied areas, occupies a prominent position not only in Maharashtra but also in the country as a whole

Aims and Objectives of the Trust:

a) To propagate secular education at post graduate and under-graduate level in Commerce, Management, Computer Education, Social Sciences, Environment,Technical, Agricultural & others.

b) To inculcate and advance research among all types of education streams.

c) To provide substantial facilities to the students in the form of teaching, library, residential, co-curricular, extracurricular, sports etc. for the development and enhancement of the complete

personality of the student's community.

d) To induct such courses as would help to improve rural commerce and life in general, such as Agri-Business Management and Rural Development, Agro Economics and Farm Management and other allied subjects.

e) To start such institutions in the rural areas that would help in the growth and development of the areas.

f) To institute and carry out executive development programs at different levels of management in various functional areas. Further to run centers for training workers in social welfare areas so as to benefit the society at large.

g) To encourage those of the disadvantaged to acquire knowledge by instituting scholarship, free-ship, grants for such persons.

h) To undertake and execute various schemes sponsored by Social Work Department of the Government of India and Maharashtra

Finally, under the 12th Plan period 2015-20 the UGC, New Delhi has conferred the CPE status under third phase letter ref.no (F.No.21-79/2014 (PE) date 7th July 2015 and D.O No. 21-79/2014(PE) dated 6th January 2015.

The Rashtriya Uchchtar Shiksha Abhiyan RUSA 2.0 : The review year CSIBER has been selected by Rashtriya Uchchtar Shiksha Abhiyan RUSA 2.0 under the component "Enhancing Quality and Excellence in selected Autonomous Colleges",G.R No RUSA2018/Sr. No 343/VISHI-3 Mantralay Mumbai,   dated 17th Dec 2018 with funding of Rs 5 crores. for infrastructural development, new equipment purchase, new construction and faculty capacity building. It has selected CSBIER as "Entrepreneurship Development Cell and Skill Hub".

To maintain high standards and high performance of an Institute imparting professional education our key focus is on professional capacity building of faculty members and students through workshops/ seminars/ research. Secondly, the infrastructural development and integration of ICT in teaching pedagogy with student-centric approach that promote active engagement and support collaborative learning. And lastly, career development and placement of students.

During the academic year 2018-19, the Institute's achievements and progress on the above mentioned three criteria was commendable. Details of the individual department activities and events organized are presented in the departmental reports.

The Institute's Board of Trustee's and the Hon'ble Managing Trustee are highly forward looking, hence all the co-operation regarding infrastructural development and support for capacity building is received as and when demanded.

For the year 2018-19 all the classroom teaching aids have been replaced with high-end DLP's and interactive panels. The Library enriched with 2,910 books making a total of 78,588 books, The Institute Library subscribes to 148 (Print) journals of National & International level & Subscribes Online E-Journals & E-Resources of INFLIBNET-(NLIST), J-Gate and Prowess (CMIE), IEEE. Internet connectivity was upgraded to 200 Mbps ILL (Internet Leased Line) and Campus surveillance with installations of 100+ IP cameras and Network Video Recorder (NVR)

The Institute takes pride in providing all the facilities for the conduct of on-line examination carried out by IBPS, ATMA, TCS, APTECH and MAHA-IT Cell.

We are thankful to the President, Board of Trustees of CSIBER Trust, Authorities of UGC and AICTE and the University for their Co-operation.

I am grateful to all the Heads of the Departments and Faculty members for successfully conducting the academic and extracurricular activities during the review year.

1. Introduction

Department of Computer Studies established in 1983 to impart professional education in the field of information technology to aspiring students. Department provides skill based IT education producing IT professionals with high technical and soft skill capability to meet the challenges of software industries.

Programmes offered :

1) **Masters of Computer Application – MCA**
2) **M.Sc. (Computer Science) – M.Sc. (Computer Science)**
3) **Post Graduation Diploma in Computer Application (PGDCA)**

Masters of Computer Application

Master of Computer Applications (MCA) is a three-year professional course exclusively designed to meet the requirements for IT trained students for various organizations. This Master's Degree Programme has been designed with a semester approach in mind. The first year courses are aimed at skills development in computers using various technologies, the second year is more focused on core courses providing conceptual frame work and the third year provides the specialization and the industrial training .

Objectives of the Programme:

i) The Programme's thrust is on giving the students a thorough and sound background in theoretical and application-oriented courses relevant to the latest computer software development.

ii) To Provide the training facility to the students to develop their knowledge, skill, techniques to face the industrial challenges.

iii) Impart and organize scientific training/teaching in computer science to make the carrier in IT Industry and research and development.

iv) Organize seminar, symposium lectures and workshop on the new trends in information technology.

6. Events (Seminar / Workshop/Conference etc.) organized by the Department:

During the Academic year under review, the Department of Computer Studies has organized Guest seminars/ Colloquium on various topics. In which, software experts and academicians have delivered lectures. The details are given below:

6.1 Following are details of workshops conducted :

Sr. No	Event	Workshop Coordinator	No. of Participants	Date
1.	**FOSSEE** Workshop on "**Introduction to Scientific Computing using Python**" in association with FOSSEE IITB for students of MCA III.	Dr. R. S. Kamat	32	21st August 2018
2.	Two days Workshop on **Robotics and AI** was organised in association with Indian tech group and IIT Mumbai for MCA I , II and M.Sc-I students.	Dr. S. S.Jamsandekar	56	5th and 6th March 2019

3.	One day workshop on **Creating Awareness on Prevention of Sexual Harassment of Women at Workplace.**	Dr. P.G. Naik	209	12th March 2019
4.	One day workshop on **Quantitative Techniques and Data Analysis using SPSS** for MPhil research scholars.	Dr. S. D. Bhoite		8th March 2019
	One Day Workshop on Smart Classrooms: Technology – Aids for Effective Teaching and Learning conducted by CSIBER, Kolhapur in collaboration with the "Smart Classroom" project of IIT Bombay.	Dr. R. S. Kamat	50	5th April 2019
5.	One Day workshop on "**Hadoop Installation**" for students of M.Sc. – I (Sem-II) .	Dr. P.G.Naik, Mr. Mahantesh Patil	7	1st February 2019
6.	One Day workshop on "**Hadoop Installation**" for students of MCA - II (Sem-IV).	Dr. P.G.Naik, Mr. Mahantesh Patil	40	12th February 2019
7.	One day **MAH-CET Coaching** for MCA aspirants,		45	18th March 2019

Two days Workshop on Robotics and AI was organized by CSIBER in association with Indian tech group and IIT,Mumbai.

One Day Workshop on Smart Classrooms: Technology – Aids for Effective Teaching and Learning conducted by CSIBER, Kolhapur in collaboration with the "Smart Classroom" project of IIT Bombay.

6.2 FDP/ MDP organized and conducted by department

Sr.No	Event	Event Coordinator/s	No. of Participants	Date
1.	Management Development Programmewas conducted for the employees of ShriVasantrao Chougule Pat Sanstha, Kolhapur to enhance basic computer skills.	Dr. P G. Naik , Mr. Mahantesh Patil	30	12-01-2019 to 23-02-2019.

6.3 Guest Lectures organized by the Department:

Sr.No	Topic	Name of the Resource Person	Organization	Date
1	Life Skills for MCA	Mr. Ajay Maske	TPO, AMGOI, Kolhapur	04/08/2018
2.	SAS Awareness	Ms. Padmasri and Mr. Rajaraman	EPOCH Training Institute, Bangalore	14/08/2018
3.	Recent Trends in Networking	Mr. Saidas A. Khanagav	Cache Technologies Ayodhya Park, Kolhapur	01/09/2018
4.	Cutting Edge Technologies in IT	Mr. Vineet D.	Tribe Appsoft Pvt. Ltd.,Kolhapur	20/09/2018
5.	Block Chain	Mr. Amit Malu	Infodynamics Software Systems Ltd, Kolhapur	28/09/2018
6.	Cyber Security	Mr. Ajinkya Lohakare	Social Spectra and Dreamssoft Pune	29/09/2018
7.	Software Design for Engineering	Mr. Girish Arekar	Active Software Research Pvt. Ltd., Kolhapur	11/10/2018

Life Skills for MCA- 04/08/2018 **-** Mr. Ajay Maske, Training and Placement Officer, AMGOI, Kolhapur

7. Extension activity

Digital Literacy Training Programme in Admapur

Digital Literacy training programme was arranged in association with D.K. Shinde School of Social Work for members of Self-help group from 12/02/2019 to 16/02/2019. Twenty ladies of Admapur Self-help group participated in this training programme and benefitted.

Following topics covered in this training programme:
- Computer Fundamentals
- Working with Computer
- Internet Browsing and Online Payment
- Mobile Apps
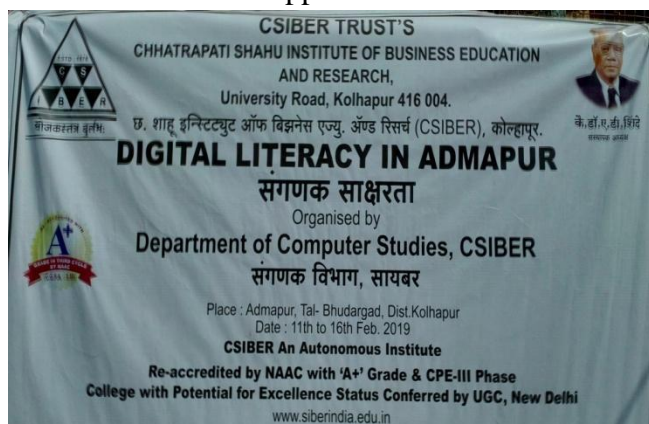

8. Co curricular Activities

Poster Presentation Competition

PosterPresentation on the theme "Information Technology and Human Life" for the students of Department of Computer Studies was organised on (   )

Placement Preparation Activities

- Department of Computer Science jointly with Career Development Center Conducted Mock Aptitude Test with Technical & HR interview for MCA Part-III students on 14/08/2018
- Placement Preparation Sessions on the topic "Database concepts and SQL Queries", for the MCA -III students of Department of Computer Studies on 16-08-2018 and 17-08-2018
- Placement Preparation Sessions on the topic "dot Net Framework ", for the MCA -III students of Department of Computer Studies on 16-08-2018 and 17-08-2018

Department of Environment Management

Introduction

Environment Management is an important issue in the sustainable development at global level. Soon after the Stockholm Conference in 1972, number of Universities in India started Environmental Science and Engineering courses at graduate and post graduate level giving more emphasis on basic Science and Engineering aspects of the environment. In the earlier days, environment was considered as an end product of a industrial process confining only to pollution control of water, soil, air and noise. But after the existence of WTO and GATT *agreement*, a number of environmental issues not only confined to pollution control but mainly focus on business aspects and environment to make their product eco-friendly in the global market. Hence Environmental Management is now-a-days turning out to be a good business opportunities for the entire corporate sector. The best example being carbon trading. In this connection the global convention on climate change at Kyoto, Bali agreement and Copenhagen conventions are the milestones, which provide good opportunities for environment protection and business environment. Hence, it is the need of the time to infuse the environmental concepts in all the functional areas of business development. Therefore, SIBER intends to develop business professionals' i.e MBA (Environmental Management) and M.Sc. (Environment & Safety) students with environment backgrounds who can cater to the need of both areas viz. Business and Environment. The SIBER Trust realized the long-felt need of starting one more division of MBA with specialization in Environmental Management with intake capacity of 60. With these objectives, the SIBER Trust now **intends to introduce an additional MBA Division in Environmental Management from the academic year 2010-2011** to meet the educational interest of the students and the growing National requirement of Environmental Managers/Specialist in India at large.

Department of Economics

M.Sc. Quantitative Economics

1. Introduction :

Ever since the inception of CSIBER in 1976, the Institute has been offering Post-graduate Research Program in Economics namely M.Phil and Ph.D. The faculty Department of Economics was contributing to teaching papers in Management, Computers, Environment, and Social Work. There was a need to bridge the gap of a full-time Post-Graduate degree in economics. Further, it was also observed that M.A. (Economics) was not having the requisite quantitative content for making the students competent for placements in RBI, IES, ISS, ISI, N.A.B.A.R.D, and in the Industry as Economic Analyst, Business Analyst or Research Analyst.

Accordingly, taking advantage of autonomous status, the institute floated the unique Post-graduate program entitled MSc. (Quantitative Economics) under Shivaji University, Kolhapur in 2016-17. The program was duly approved by the statutory committees of the Parent University as well as the Government of Maharashtra. The objective of the unique program is to train the economics students with the necessary theory, software and statistical techniques, so that, they are able to compete for various positions as Analysts in industries and the government sector.

Objectives of the Course:

The specific objectives of the Master's degree course is:

1. To provide training in Quantitative Techniques for analysing economic problems
2. To train the students in the use of economic software packages
3. To prepare the students for placement as economic analysts in banks, financial institutions and Govt. organizations
4. To provide all the skills and knowledge for making the student an applied economist

Eligibility for admission:

The students who are Graduates in B.A (Economics), B.Com, B.B.A, B.Sc. (Maths/Physics/Statistics/Computer Science) and BCA, are eligible for the course work. The students are been selected through Entrance Test and Personal Interview conducted by the institute.

II. EXAMINATION DEPARTMENT

III. ANNUAL REPORT FOR ACADEMIC YEAR 2018 – 2019

INTRODUCTION:

During the last two decades, the world has undergone a massive transformation with the increasing importance of technology in daily work. The education sector has also undergone the technological change. In order to measure learning outcomes the only method is evaluating the students using various modes of examinations. As traditional evaluation systems were heavily dependent on humans there is a chance of error and delay in the process.

During the last decade, On-Screen Evaluation, a technology enabled intervention to assist evaluation of descriptive answer scripts has emerged as the most viable option for streamlining examinations process. Successful implementation of On-Screen evaluation technology has resulted in improvement in quality, accuracy, speed and experience of evaluation.

CSIBER is the first Autonomous Institute under the Shivaji University area to adopt the On Screen Evaluation system from the academic year 2016-17. The On-screen evaluation system presents scanned copy of answer sheet by hiding candidates identity to evaluator. Every process that is followed in the manual evaluation is automated using On-screen evaluation system. The automation of the evaluation workflow enables the creation of a transparent process that comes with a high degree of security.

I) Activities to be covered under On-screen Evaluation system

I. Pre Examination Activities

- Provision of printing water marking in all pages of the Abs (Answer Booklets)
- Assigning and printing of Unique Identification code in each Answer Booklet(AB)using random number generation process with Barcode system
- Provision to record unique identification number and the page wise random number of each AB in to the centralized server
- Provision to track the status of the ABs as against the distribution

II. Examination Activities

Collection and segregation of ABs in terms of used and unused Abs and to keep ready to send to scanning centers for scanning

III. Post Examination Activities

a) Pre Scanning process

- Assign additional Identification mapping mark for each ABs/bundle and form a group of ABs to a particular scanning station like subject wise, date wise, packet/parcel wise, area wise, cluster wise (if any), examination centre wise with proper accountability for further monitoring.
- Provision to record the distribution of set of ABs to the scanning stations with internal mapping of key values of the ABs visa vice.
- ABs ID number, examination centre, date, subject, etc

b) Scanning process

- Use high end scanner which shall have provision to capture image of the ABs and save as PDF file format in the scanning station including the water mark of the Abs. The scanned image of the AB is called as AS– **Answer Script which is in PDF file format and should be saved in the centralized server only using specialized API (not in the localPC/desktop/Laptop system)The API would be developed using the DLL of scanner manufacturer(OEM)/DLL from the agency**
- Scanner shall have a capability to read the barcode value of the ABs in all pages and the OMR parameters of the ABs in to scanning station.
- Scanning station should create only one compressed PDF file(AS)for all pages of the concerned AB in the name specified by the COE. Provision for random check of AS (Answer Script – Which is nothing but converted scanned AB) with a provision of reading barcode in the PDF file format

c) Post Scanning process

- Random allocation of ASs residing on centralized server to evaluators.
- Generation of digital evaluation time table for each evaluator visa-vice day wise tasks and targets.

- Provision of Credential based accesses to evaluators, centre superintends, administrators, etc.
- Provision for full size viewing of the AS in a frame along with the form for scoring the marks.
- The question paper corresponding to the AS should be loaded automatically along with sample/probable answer for that Question.
- Provision for an evaluator to annotate/comment over the AS during evaluation as a separate layer which cannot be viewed by other evaluators.
- Provision to linking the AS page number to the scoring of marks so that backtracking of scoring to the actual written answer of the AS is possible

IV. On-Screen Evaluation Process

a) Pre-Evaluation

- Registration of Evaluators to the centralized server.
- Allocation of Evaluators to various courses and subjects
    - Proximity
    - Random
- Allotment of Answer Scripts
    - Random
    - Subject-wise
    - Scheduled
- One-many mapping of ASs to Evaluator

Report on International Yoga Day celebration

INTRODUCTION :

 4th International Yoga Day was celebrated in CSIBER as per the instruction of the current Prime Minister of India, Mr. Narendra Modi during his speech at the UNGA, on 27 September 2014. He stated[4] Yoga firstly. Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help in well being. Let us work towards adopting an International Yoga Day.

International Yoga Day is used to celebrate by lots of people from many Countries in order to do all the activities in a better way without any harm to the Physical as well as Mental Body. International Yoga Day is celebrated on the 21st June to make the people to get aware about the effects and facts of the Yoga for the proper health.

The idea of International Day of Yoga was first proposed by the current Prime Minister of India, Mr. Narendra Modi during his speech at the UNGA, on 27 September 2014. He stated[4] Yoga firstly started in the India

 Yoga is not a work-out, it is a work-in. And this is the point of spiritual practice; to make us teachable; to open up our hearts and focus our awareness so that we can know what we already know and be who we already are.

The organiser firstly introduced the concept of Yoga, then highlighted the benefits of Yoga

Entrepreneurship Development Cell and Skill Hub:

Introduction:

CSIBER Institute has played a crucial role in transforming the youth of rural India, by providing Quality Education over the years . Across the country management institutes are churning out managers for years together, but its time to create entrepreneurs in large number. Institute offers courses such as MBA (General), MBA (Environment Management), MCA(under science faculty), MSW, M.Com, MSc. Environment, MSc. Quantitative Economics, MPhil and Ph.D Program in the premises of the college. Each one of these courses has strength of creating potential entrepreneurs. The **EDC and Skill Hub** of the institute has created an ecosystem for nurturing entrepreneurship. The cell is developed under the funds received from RUSA by the institute. It was digitally inaugurated at the hands of Hon. Prime Minister Shri. Narerandra Modi on 3rd Feb 2019. Though The cell is in the infant stage as of now, there is a huge potential for its development in our Institute.

Rationale: Entrepreneurs are key drivers of economic and social progress. Rapidly growing entrepreneurial enterprises are often viewed as important sources of innovation, productivity growth and employment (small and medium-sized enterprises account for a high percentage of all jobs in emerging economies). It is established in the world economic experience that developed countries have created the ecosystem for **entrepreneurs in educational institutions.**

Objectives and Actions:

- To create ecosystem within the institute for nurturing entrepreneurship and start ups.
- To provide infrastructural facilities essential for entrepreneurship development and start ups.
- Nurture early stage startups by providing them infrastructural, management and networking platforms through incubation centers.
- To provide support to startups in the form of Consultations with Industrialists, Business Plan assistance, growth acceleration, product development and refinement, office space, infrastructure, mentorship and seed funding.
- Provide the much needed platform to our students, alumni, and society.

The activities were planned in the following manner during the last year.

Sr.No	Activity	Objective	Outcome

SOUTH ASIAN JOURNAL OF MANAGEMENT RESEARCH (SAJMR)

SOUTH ASIAN JOURNAL OF MANAGEMENT RESEARCH (SAJMR) is planned to be an archival journal of research pertaining to managerial aspects in various areas of human activities. This journal is a publication of Chhatrapati Shahu Institute of Business Education and Research (CSIBER) Kolhapur, India. CSIBER is a unique institute of its kind in the entire Indian subcontinent imparting postgraduate professional education in the fields of business management, social work administration, environmental studies and computer applications. Management thoughts and managerial research are the common factors that link these otherwise diverse fields. Having completed three decades, the institute now desires to cater to the international community by creating a platform for sharing the outputs of managerial research in these as well as other areas of human activities. It is believed that the socio-economic and political environments in South Asian countries are more or less similar that w will be able to share the same media for this purpose. .

SAJMR is the realization of this vision

Editorial Policy

SAJMR is a referred research journal. Only original articles are accepted for publication. The manuscript submitted for publication is screened by the editorial board for its relevance. Appropriate manuscript would be put through blindfold reviews by two experts. On the basis of reviewers reports the editor takes decision. Published manuscripts are the exclusive copyright of SAJMR. The copyright includes electronic distribution as well. Accepted or otherwise the review reports will be made available to the audience to the authors of all review articles.

Scope of the Journal

The Journal publishes original research papers pertaining to the managerial aspects of (but not limited to) Business, Industry, Information Technology, Environmental Studies, Public Administration and Social Work Administration. The journal also consider publishing full-fledged review papers in some of these areas.

Content Blend

The journal prefers to publish rigorous papers with sound methodology leading to advanced body of knowledge. Conceptual and empirical research papers, review papers, theoretical studies, case studies, simulation studies and model building are considered for publication.

<u>Various Career Development Activities :</u>

1**<u>.Mentorship Program- Mantrana</u>**

"Mentoring is to support and encourage people to manage their own learning in order that they may maximise their potential, develop their skills, improve their performance and become the person they want to be." Eric Parsloe, the Oxford School of Coaching & Mentoring.

As a matter of first importance, the Mentoring Program is designed to give an effective communication platform and valuable guidance to the students. It empowers students to get information and aptitudes inaccessible inside the classroom from experienced Mentors. Mentees can additionally advantage by upgrading their management abilities and get a direction on the way to progress through various interactions. This program additionally furnishes mentors and mentees with a valuable opportunity to fashion deep rooted companionships and associations, making the students of CSIBER proficient.

Objectives of Mentoring Program:

Mentorship Program is intended to give students a direction with a specific end goal to enable them to develop. Mentor will confer significant information, share encounters and propose ways the student can learn and grow. The Mentoring Program will be incorporated with a academic course.

- To connect and develop a bonding with students.
- Enable students to accomplish profession advancement and self-awareness.
- Help the students develop as a leader with necessary knowledge, skills and abilities.
- Develop a culture that contemplates mentorship as an effective method of evolving students
- Foster career development through higher level of engagement and career vision.

2. *Utkarsh - English Language Improvement Program*

□□□□□□□□□□□□□□□□□□□□□□□□□□□□□□□□□□□□ **- If you try, you will improve**

English Language is used as Link Language worldwide and has become an integral part of day to day life. With the increasing significance of English, it is essential for the students to get equipped with the language for professional communication.

The debatable question is how much skillful and sure students feel about the usage of English language in a practical situation.

In spite of having a good theoretical knowledge, students fail to give their best during interviews, group discussions, interactions and communication in a real life situation due to difficulties in English language. This problem is intensely felt by students from vernacular / rural backgrounds and this becomes a hurdle in their career progression.

Apart from the influence of first language that hinders learning of communication skills in English, the teaching methodology also plays a vital role.

To overcome these difficulties, Utkarsh – English Language Improvement program is offered to the students. This training is indispensable for post-graduation students and has been introduced as a separate program. Modus operandi of this training is outcome based.

Objectives of the Program:

1. To communicate effectively and appropriately in real-life situation.

2. To use English effectively for study purpose across the curriculum.

3. To develop and integrate the use of the four language skills i.e. Reading, Listening, Speaking, Writing

3. Personal Guidance Program- Connect

Overview:

The purpose of the program is to connect with the students and create awareness about the various opportunities and benefits the MBA program offers to them. This comprehensive personal guidance program will help students have a splendid career as well as personal progressions.

Program Objectives:

- To sensitize students about the importance of MBA
- To understand their career objectives and assist them in choosing a best career path
- To help students set their goals
- To determine training needs for the students
- To assign mentors as per the students specialization
