**Subject: Alumni Outreach Plan for
Royal Alumnus Day 2025 – “50 Years, 50 Connects”**

NOTICE

We are organizing **Royal Alumnus Day 2025** on **28th December 2025** to bring together representatives from five decades of our alumni community. The event will also include a Faculty Reunion – Honoring our retired faculty members who have shaped the legacy of CSIBER.

To strengthen alumni engagement and ensure broad participation, a Connect Team comprising CSIBER faculty and staff members has been constituted. Each team is assigned alumni batches based on their year of joining the institute, as detailed in the attached list.

The primary objective of this initiative is to reach out to alumni, confirm their participation, and encourage a minimum of ten representatives from each batch to register for the event. Staff members are **also welcome to connect with alumni from other batches** beyond their assigned group.

This collective effort will help us make the Golden Jubilee celebration truly memorable by reconnecting with our alumni and showcasing CSIBER's 50-year legacy of excellence.

Your active participation and support in this initiative are highly appreciated.

Dr. R. K. Tailor

Director

CSIBER, Kolhapur
